RE: Guardianship House Remodeling

Dear Scott and Mike:

I am finally writing to thank you for the excellent work and service we received throughout the remodeling project on the Gurnee, IL house. You, your workers and subcontractors worked diligently through the worst winter we have seen in years. The elevator addition matches the house perfectly. All of the interior work was also completed with the utmost care for the existing interior.

Also, thank you for your diligence in keeping the project moving at a fast pace in an effort to get our clients into the house as early as possible. I was amazed by how fast and well everything fell into place and at your willingness to go above and beyond on all matters throughout the project.

I will definitely recommend your services to other clients and associates I have in the Chicago area.

If you have any comments or questions, please call me at 309-655-5345, fax me at 309-655-5910 or e-mail me at [gregory.strickfaden@pnc.com](mailto:gregory.strickfaden@pnc.com). Thank you.

Sincerely,
